## INTRODUCTION

THE twenty-third volume of the Society's publications, which appeared in 1891, contains a List of the Lancashire Wills proved at Lancaster from 1748 to the end of 1792, and of Halton Wills to 1792. The present volume continues the list down to 1812, the latest date allowed for present publication.

The Wills of the five Western Deaneries of the Archdeaconry of Richmond ceased to be proved at Lancaster in 1857 (see Introductions to Vols. X, XIII, and XXIII).

The Wills in this volume are at Lancaster, where all the Lancashire Wills proved in the Archdeaconry of Richmond since 1748 are deposited. The Richmond Wills previous to that date were, in 1874, moved to Somerset House. Upon a recent application by the Yorkshire Archæological Society, the Wills relating to the Eastern Richmond Deaneries of Boroughbridge, Catterick, and Richmond were transferred from Somerset House to the District Probate Registry at York. At the time of the application it was suggested that this Society should apply for the transfer, to Lancaster, of the Lancashire portion of the Richmond Wills at Somerset House, but the Council declined to do so as it was considered that the documents were more conveniently accessible in London (where there is a skilled body of professional searchers and transcribers) than at Lancaster. In the early part of the present year the Honorary Secretary was informed that it was proposed to remove the Lancashire portion of the Richmond Wills to York (where the Yorkshire portion had already gone), and upon inquiry at the Principal Probate Registry it was found that the removal to York of the remaining Richmond Wills had been authorised but not yet carried out. Strong protests were at once made by this Society and other Archæological Societies, to the President of the Probate Division

v

and also to the Royal Commissioners now sitting to inquire into the custody and preservation of public records, and it is satisfactory to be able to state that in consequence of these protests it was decided in February last that the Richmond Wills, other than those of the Yorkshire Deaneries, should remain at Somerset House.

This volume also includes a list of the Wills proved within the Peculiar of the Manor of Halton for the same period. They are very few, and since the death of William Bradshaw, Esq. (Lord of the Manor of Halton), in 1815, no Will has been there proved.

The Society is indebted to the President of the Probate Division of His Majesty's High Court of Justice for permission to permit these indices, and I must also personally thank B. D. Adams, Esq., the District Registrar at Lancaster, for kind assistance.

HENRY FISHWICK.

# RECORD SOCIETY OF LANCASHIRE AND CHESHIRE

## REPORT FOR THE YEAR 1911-12 (34TH YEAR)

*Read at the Annual Meeting held in the Audit Room of the Chetham Hospital, Manchester, on the 13th day of November 1912.*

DURING the year ending 30th June 1912 three volumes have been issued to the Members, one being in respect of the previous year. Volume 62 is an Index to the Wills at Chester, 1801-1810, A to L; and Volume 63, the same, M to Z. This volume also contains Supplementary Indexes to the Wills at Chester, 1670, and to the *Infra* Wills at Chester, 1693. Volume 64 is the MS. *Liber Luciani de Laude Cestrie*, edited by Miss M. V. Taylor, M.A.; and also contains some Obits of Abbots and Founders of St. Werburgh's Abbey, Chester, taken by Miss Taylor from the Tanner MSS. in the Bodleian Library.

Mr. John R. Cooke of Winsford, Cheshire, who had a translation made by Miss Stokes, at his own expense, of the Book of the Abbey of Vale Royal, from the copy of the MS. in the British Museum, has been good enough to present the translation to the Society, upon condition that they publish it before February 1914. The Book contains an account of the foundation of the Abbey by Edward I., and a large number of most interesting documents and entries relating to the possessions of this Cheshire Monastery. The Council desire to express their hearty thanks to Mr. Cooke for his valuable gift. The Society has also acquired from Mr. Cooke a translation of original thirteenth century accounts (now at the Public Record Office) of the building of the Abbey. It is hoped the Volume (which will be edited by Mr. J. Brownbill, M.A.) will be published during the year.

A further volume (Part V.) of Marriage Licences for Cheshire and South Lancashire, edited by Mr. Irvine, is ready, and another volume is in the press.

Dr. Farrer has kindly offered to present the material for a third volume of Lancashire Inquests and Extents, which he will edit.

A transcript is being made for the Society of the Lancashire and Cheshire cases in the Proceedings of the Court of Star Chamber. These cases, which are of a most readable nature, will afford much valuable material for local history and genealogy at a very interesting period.

To assist in the formation of a Students' Reference Library in the Literary Search Room at the Public Record Office, London, the Society has presented twenty of its volumes containing abstracts or

transcripts from the Public Records. In return several of the "Lists and Indexes" and Calendars published by the Record Office have been received.

The Honorary Secretary gave evidence on Cheshire Records before the Royal Commission on Public Records in support of the contention that the records of Flintshire were part of the Cheshire records, and it is satisfactory to find that the Commissioners agree with this view, and have excluded the bulk of the Flintshire records in the Record Office from the Welsh records, which they recommend should be returned to Wales.

Mr. Robert Gladstone, Jun., B.C.L., M.A., has been elected to fill the vacancy on the Council caused by the death of Mr. Cokayne referred to in last year's Report.

During the year ending 30th June 1912, six new Members have joined the Society and six have died or resigned. The number of paying members then stood at 156.

The Honorary Treasurer's accounts show a balance in hand on 30th June 1912 of £131, 5s. 3d.

A few sets of the Society's Publications are still on hand. Members can obtain the price of sets or of single volumes by applying to the Honorary Secretary.
